BERKLEY GLOBAL PRODUCT RECALL MANAGEMENT

Berkley Global Product Recall Management is the industry expert with a deep understanding and extensive category knowledge. We are uniquely qualified to deliver worldwide protection and technical assistance to help your clients prevent, manage and recover from loss before, during and after product recall and contamination events. We have the cutting-edge products, pre-emptive risk mitigation services and the 24/7 crisis support to meet client needs.

Crisis Consulting Services:

Through our global relationship with RQA, we offer a variety of optional pre-incident risk mitigation services:

- Crisis Management Plan Development
- Product Recall and Traceability
- Contingency Planning

Product Capabilities – Product Recall Insurance:

- Recall Expenses
- Recall Liability
- Cost to repair, replace or refund the product
- Business Interruption Expenses
- Impaired Property
- Government Recall

Contaminated Products Insurance:

- Accidental Contamination
- Malicious Product Tampering
- Product Extortion
- Adverse Publicity
- Government Recall
- Third Party Liability

Underwriting Appetite – Product Recall:

- Manufacturers
- Distributors
- Electronics
- Furniture and Fixtures
- Mechanical Products
- Medical Devices
- Printing and Packaging
- Pharmaceuticals
- Automotive (excess layers only)

Contaminated Products:

- Bakery and Confectionery
(cookies, crackers, candy etc.)
- Bottlers
- Beverages
- Spices
- Cosmetics
- Ingredient Suppliers
- Dairy
