UNDERWRITING

| a Berkley Company

MEDICAL MALPRACTICE

With a wealth of experience, our team has proven underwriting expertise offering tailored solutions, flexible products and authoritative underwriting. Innovation and creativity being key, our team was amongst the first to offer Medical Malpractice insurance to surgeons and we continue to carry this and we continue to carry forward this thinking into all solutions offered to our clients.

Product Capabilities:

- UK and International Corporates
- UK Medical Practitioners including Medical Malpractice and Legal Expenses Insurance
- Bespoke products for Allied Health schemes
- In addition to Medical Malpractice cover, we are also able to consider:
 - Professional Indemnity
 - Public / General Liability
 - Loss of Documents
 - Breach of Professional Confidentiality
 - Libel and Slander
 - Inquest Costs
 - GMC Investigation Costs

Target Clients:

- International and UK (excluding USA)
 - Hospitals
 - Corporate Health Providers: including ambulance / repatriation services, weight loss clinics and eye clinics
 - Allied Health Schemes
 - Registered Medical Practitioners

Underwriting Appetite:

- Maximum Capacity of GBP 10m any one claim and in the aggregate or currency equivalent
- We consider both Primary and Excess follow form

Capacity/Rating:

- Syndicate Capacity – Lloyd's A+ Rating

Service:

- We aim to respond to all enquiries within 24-48 hours
